EXAMINER'S AMENDMENT

The amendment and foreign priority document filed on July 27, 2004 have been acknowledged. The submission of certified copy of priority document filed on July 27, 2004 reveals an error on the filed date (November 2, 2003) when in fact the declaration and foreign document both disclose the file date as February 11, 2003. After speaking with Mr. Duffett on August 4, 2004 he confirms the error and that the file date of the priority document is February 11, 2004.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Benton Duffett on August 4, 2004.

In the substitute specification:
